Financial support by the Dutch Heart Foundation for the publication of this thesis is gratefully acknowledged. Additional financial support for printing this thesis was kindly provided by Trombosesstichting Nederland, Federatie van Nederlandse Trombosediensten, Bayer B.V., Pfizer B.V., LEO Pharma B.V., Stago BNL B.V., Boehringer Ingelheim B.V. and ChipSoft.

The research described in this thesis was supported by a grant of the Dutch Heart Foundation (2017T064).

# CONTENTS

Chapter 1	Introduction	7
Chapter 2	Essential aspects of the follow-up after an acute pulmonary embolism: an illustrated review	13
Chapter 3	Determinants and management of the post-pulmonary embolism syndrome	29
Chapter 4	Why, whom and how to screen for chronic thromboembolic pulmonary hypertension after acute pulmonary embolism	51
Chapter 5	Measuring functional limitations after venous thromboembolism: optimization of the Post-VTE Functional Status (PVFS) Scale	71
Chapter 6	A model for estimating the health economic impact of earlier diagnosis of chronic thromboembolic pulmonary hypertension	91
Chapter 7	Non-invasive early exclusion of chronic thromboembolic pulmonary hypertension after acute pulmonary embolism: the InShape II study	109
Chapter 8	Identification of chronic thromboembolic pulmonary hypertension on CTPAs performed for diagnosing acute pulmonary embolism depending on level of expertise	135
Chapter 9	Prediction of chronic thromboembolic pulmonary hypertension with standardized evaluation of computed tomography pulmonary angiography images performed for suspected pulmonary embolism	153
Chapter 10	Evolution of CT findings after anticoagulant treatment for acute pulmonary embolism in patients with and without an ultimate diagnosis of CTEPH	171
Chapter 11	Quality of initial anticoagulant treatment and risk of CTEPH after acute pulmonary embolism	191
Chapter 12	Efficacy and safety of a 12-week outpatient pulmonary rehabilitation program in post-PE syndrome	205
Chapter 13	General discussion and summary	231
Chapter 14	Nederlandse samenvatting	239
Appendices	List of publications	249
	Nawoord	253
	Curriculum vitae	255
