Correction to: Endocrine

<https://doi.org/10.1007/s12020-021-02615-2>

In this article the by mistake the last name was sent to pubmed as Carola Zillikens, initials are M.C. (Carola is my

given name, belonging to second initial). So it should be: Zillikens MC.

It has been corrected in this erratum.
