# Correction to: The general practitioners perspective regarding registration of persistent somatic symptoms in primary care: a survey

Willeke M. Kitselaar<sup>1,2\*</sup>, Rosalie van der Vaart<sup>1</sup>, Madelon van Tilborg-den Boeft<sup>2</sup>, Hedwig M. M. Vos<sup>2</sup>,  
Mattijs E. Numans<sup>2</sup> and Andrea W. M. Evers<sup>1</sup>

## Correction to: *BMC Fam Pract* 22, 182 (2021)

<https://doi.org/10.1186/s12875-021-01525-6>

In the original publication of this article [1], Fig. 1 image was incorrect, the correct is shown in the following page. Also, there was a typographical error for the word “ambiguous” under Background section in the Abstract which was written as “unambiguous”.

The original article has been corrected.
