The book cover features a stylized illustration. A large, dark blue, torn-paper-like shape descends from the top left corner, ending in a thin line that points towards a family of four. The family, consisting of a mother, father, and two children, is depicted in light blue line art. They are standing within a light blue pentagonal shape that resembles a house. The background is a solid light orange color. At the bottom, there is a wavy orange shape representing the ground.
