### Correction to: European Radiology (2020) 30:1997–2009 <https://doi.org/10.1007/s00330-019-06522-z>

The original version of this article, published on 16 December 2019, unfortunately contained two mistakes. Firstly, the name of Jonathan Dermot Dodd was presented incorrectly. Secondly, the information about the equal contribution of Gianluca De Rubeis and Adriane E. Napp, and Marc Dewey and Marco Francone is missing. The corrected author list is given above and the missing article note below. Furthermore, affiliation 48 from the original version of the article was a duplicate and is therefore removed.

---

Gianluca De Rubeis and Adriane E. Napp contributed equally to this work; Marc Dewey and Marco Francone contributed equally to this work.
