The background is a watercolor painting of a landscape. At the top, there are dark, jagged mountain peaks in shades of purple, brown, and black. Below the mountains is a wide, light-colored valley or plain. The foreground is dominated by large, irregular shapes in various shades of blue, teal, and green, suggesting a field or a body of water. The overall style is soft and artistic.

ANXIETY IN OLDER ADULTS

Prevalence and low-threshold
psychological interventions
