Financial and data support by Medtronic for the studies in this thesis is gratefully acknowledged.

Publication of this thesis was kindly supported by: Krijnen Medical Innovations, SW Vriesendorp Foundation, Boehringer Ingelheim.

THE APPRECIATION OF PROSTHETIC HEART VALVES

Proefschrift

ter verkrijging van
de graad van doctor aan de Universiteit Leiden,
op gezag van rector magnificus prof.dr.ir. H. Bijl,
volgens het besluit van het college voor promoties
te verdedigen op woensdag 15 februari 2023
klokke 16:15 uur

door

Michiel David Vriesendorp

geboren te 's-Gravenhage
in 1992

Promotor

Prof. dr. R.J.M. Klautz

Co-promotor

Dr. R.A.F. de Lind van Wijngaarden

Leden promotiecommissie

Prof. dr. R.H.H. Groenwold

Prof. dr. M.J. Schalij

Prof. dr. J. Kluin, Erasmus Universiteit Rotterdam

Prof. dr. W.J. Morshuis, Radboud Universiteit Nijmegen

Table of Contents

Chapter 1	General introduction and outline of the thesis	7
Part I – Prosthesis-patient mismatch		17
Chapter 2	The fallacy of indexed effective orifice area charts to predict prosthesis-patient mismatch after prosthesis implantation <i>Eur Heart J Cardiovasc Imaging 2020</i>	19
Chapter 3	Why the categorization of indexed effective orifice area is not justified for the classification of prosthesis-patient mismatch <i>J Thorac Cardiovasc Surg 2021</i>	35
	Correspondence	59
Chapter 4	The clinical implications of body surface area as a poor proxy for cardiac output <i>Structural Heart 2021</i>	65
Part II - Evaluation of prosthetic valves		85
Chapter 5	Regression to the mean and absence of left ventricular mass regression after aortic valve replacement <i>Submitted</i>	87
Chapter 6	An in vitro comparison of internally vs. externally mounted leaflets in surgical aortic bioprosthesis <i>Interact CardioVasc Thorac Surg 2019</i>	107
Chapter 7	Antithrombotic therapy and bleeding events after aortic valve replacement with a novel bioprosthesis <i>J Thorac Cardiovasc Surg 2021</i>	121
Chapter 8	Summary / Samenvatting	145
Appendices	List of publications	177
	Acknowledgements	179
	Curriculum Vitae	181
