I can of my own self

do nothing

- John 5:30

Of course, it is happening inside your head, [...]
but why on earth should that mean
that it is not real?

- Prof. Dumbledore

Contents

Chapter 1	General introduction	9
Chapter 2	Predictors of persistent somatic symptoms in the general population: a systematic review of cohort studies	21
Chapter 3	The general practitioners' perspective regarding registration of persistent somatic symptoms in primary care: a survey	75
Chapter 4	Identifying persistent somatic symptoms in electronic health records: exploring multiple theory-driven methods of identification	97
Chapter 5	Predicting persistent somatic symptom onset with mental health-related registrations in primary care	117
Chapter 6	Early identification of persistent somatic symptoms in primary care: data- and theory-driven predictive modelling based on electronic medical records of Dutch general practices	141
Chapter 7	General discussion	169
Chapter 8	Summary	185
Appendices	Nederlandse samenvatting (Dutch summary)	192
	Dankwoord (acknowledgments)	199
	Curriculum Vitae	203
