Acknowledgments

The author wishes to thank the school students, pre-service teachers, teacher educators, and school mentors for voluntarily participating in the studies for this dissertation, and the reviewers and members of the PEP research program for giving constructive feedback. Furthermore, the project has greatly been inspired by the work of Susan Groundwater-Smith and the Coalition of Knowledge Building Schools in Sydney, Australia. See website (CBKS, 2012) and book (Groundwater-Smith et al., 2013).
