TABLE OF CONTENTS

Chapter 1	General introduction	9
I.	Neural sensitivity to social feedback in parents and adolescents: Influences of self-views	25
Chapter 2	Vicarious praise and pain: Parental neural responses to social feedback about their adolescent child	27
Chapter 3	Adolescents' affective and neural responses to parental praise and criticism	57
II.	Neural mechanisms related to self-processing in adolescent depression	89
Chapter 4	Sticky criticism? Affective and neural responses to parental praise and criticism in adolescents with depression	91
Chapter 5	Aberrant neural network activation during reliving of autobiographical memories in adolescent depression	119
Chapter 6	General discussion	147
Chapter 7	Appendices	165
	Dutch summary Nederlandse samenvatting	166
	About the author (Curriculum Vitae)	179
	References	180
	List of publications	192
	Acknowledgements Dankwoord	194
