Curriculum Vitae

Mark van de Water was born in 1989 and grew up in Alphen aan den Rijn, where he completed his primary and secondary education. He graduated from Leiden University with a Bachelor of Arts in history in 2011. He continued his studies at Leiden University to obtain his Master of Arts in history in 2012, specializing in economic history of the Netherlands during the post-war period. He pursued his academic career while working as a PhD researcher at the Leiden Institute for Area Studies at Leiden University from 2012–2023. He worked on economic history of colonial Indonesia, specializing in foreign businesses. He is currently working as a financial analyst at a bank.
