The research described in Chapter 2 is embedded in the Generation R Study. The Generation R Study is made possible by financial support from the Erasmus University Medical Center Rotterdam and the Netherlands Organization for Health Research and Development (grant ZonMw Geestkracht 10.000.1003). The research described in Chapters 4 and 5 was supported by a grant from the Fund for Scientific Research of Sexuality to Marleen Groeneveld, Lotte van der Pol, Judi Mesman, Else de Vries (co-applicant), and Harriet Vermeer (co-applicant) [grant number 16.004] and the Catharina Halkes Fund to Lotte van der Pol [grant title 'Van huis uit'].
