The background of the cover is a dark teal color. Overlaid on this is a large, abstract graphic composed of numerous small, multi-colored dots (including yellow, orange, purple, green, and red) that form the outline of the European continent. The dots are arranged in a way that creates a sense of depth and texture, with some areas being more densely packed than others.

DOSING CONSIDERATIONS FOR PRETERM NEONATES:

From pharmacometrics to clinical practice

ALINE G. J. ENGBERS
