## Curriculum vitae

Alexandros Sarris is currently a PhD Fellow at Leiden Law School, Senior Lecturer in International Law at Erasmus University College at Rotterdam and Senior Lawyer in the Legal & and Regulatory department at Enel Green Power Hellas, the Greek Subsidiary of Enel Green Power SpA. As far as his educational background is concerned, he obtained his LLB and LLM at Democritus University of Thrace, in Greece. During his doctoral studies at Leiden University, he was awarded a Graduate Research Fellowship at PON/Harvard Law School allowing him to spend more than a year at Harvard University conducting research in international law and alternative dispute resolution. In 2010 he started his research at Leiden Law School of Leiden University as an external PhD candidate. Alexandros' research interests focus on the axes of public international law, environmental and energy law, sustainable development and green energy, corporate law and corporate governance as well as negotiations and all forms of alternative dispute resolution. He has extensive teaching experience within the field of international law, with special focus on the law of the sea, energy, and environmental law. He was previously employed in various positions such as (Senior) Lawyer at various multinational firms and Guest Lecturer in International Law at Leiden University College.
