Curriculum Vitae

Can Wang was born on the 29th of April 1993 in China. She received her M.Sc. degrees in Computer Science from École Centrale Paris, France and Université libre de Bruxelles, Belgium in 2017. She was a researcher at the School of Computing, National University of Singapore. Can joined LIACS in January 2018 as a PhD candidate under the supervision of Prof. Holger H. Hoos, Prof. Thomas Bäck, and Dr. Mitra Baratchi. Her PhD project was about Dynamic Data Analytics through automatically Constructed Machine Learning Pipelines. She worked with Dr. Markus Olhofer and Dr. Steffen Limmer at Honda Research Institute Europe for her PhD project.
