Correction: *Trials* 23, 809 (2022)
<https://doi.org/10.1186/s13063-022-06736-5>

Error 1 (Title) [1]

The sentence currently reads:

“Prophylactic abdominal drainage or no drainage after distal pancreatectomy (PANDORINA): a binational multicenter randomized controlled trial”

The sentence needs to read:

“Prophylactic abdominal drainage or no drainage after distal pancreatectomy (PANDORINA): a study protocol of a binational multicenter randomized controlled trial”

Error 2 (Abstract)

The sentence currently reads:

“Routine drainage after DP could potentially be omitted and this could even be beneficial because of the hypothetical prevention of drain-induced infections (Fisher, *Surgery* 52:205-22, 2018).”

[†]F. L. Visser, A. Balduzzi and E. A. van Bodegraven are shared first authors.

[†]C. Bassi, C. van Eijck and M. G. Besselink are shared senior authors.

Ready to submit your research? Choose BMC and benefit from:

- fast, convenient online submission
- thorough peer review by experienced researchers in your field
- rapid publication on acceptance
- support for research data, including large and complex data types
- gold Open Access which fosters wider collaboration and increased citations
- maximum visibility for your research: over 100M website views per year

At BMC, research is always in progress.
