# **Lipidomics Study in Liver Metabolic Diseases**

## **Proefschrift**

ter verkrijging van de graad van doctor aan de Universiteit Leiden,

op gezag van rector magnificus prof.dr.ir. H. Bijl,

volgens besluit van het college voor promoties

te verdedigen op donderdag 13 juni 2024

klokke 16.15 uur

door

**Madhulika Singh**

geboren te Ballia, India

in 1990

**Promotor**

Prof. dr. T. Hankemeier

**Co-promotor**

Dr. A.C. Harms

**Promotiecommissie:**

Prof. dr. H. Irth

Prof. dr. E.C.M. de Lange

Prof. dr. J.M.F.G Aerts

Prof. dr. U. Spiekerkötter

*Universiteit Freiburg*

Dr. B. Ramos Molina

*Biomedical Research Institute of Murcia*

Dr. F. Vaz

*Amsterdam UMC*

The research described in this thesis was performed at the Metabolomics and Analytics Centre (MAC) of the Leiden Academic Centre for Drug Research (LACDR), Leiden University (Leiden, The Netherlands). The research was financially supported as indicated in each chapter.

# Contents

<b>Chapter 1</b>	General introduction and scope	1
<b>Chapter 2</b>	Development of a targeted hydrophilic interaction liquid chromatography-tandem mass spectrometry-based lipidomics platform applied to a coronavirus disease severity study <i>Journal of Chromatography A (2023)</i>	19
<b>Chapter 3</b>	A comparison between different human hepatocyte models reveals profound differences in net glucose production, lipid composition and metabolism <i>in vitro</i> <i>Experimental Cell Research (2024)</i>	55
<b>Chapter 4</b>	Recent developments in the analytical approaches of acyl-CoAs to assess their role in mitochondrial fatty acid oxidation disorders <i>Molecular Genetics and Metabolism (2023)</i>	85
<b>Chapter 5</b>	Development of targeted hydrophilic interaction liquid chromatography-tandem mass spectrometry method for acyl-Coenzyme A covering short- to long-chain species in a single analytical run <i>Journal of Chromatography A (2024)</i>	131
<b>Chapter 6</b>	An old new player in MCADD: reduced free coenzyme A availability in medium-chain acyl-CoA dehydrogenase deficiency <i>(Manuscript in Preparation)</i>	165
<b>Chapter 7</b>	Conclusion and perspectives	209
<b>Appendix</b>	Nederlands samenvatting	224
	Curriculum Vitae	229
	List of Publications	231
	Acknowledgements	233
