# **Liposome-based vaccines for immune modulation**

## From antigen selection to nanoparticle design

### **Proefschrift**

ter verkrijging van  
de graad van doctor aan de Universiteit Leiden,  
op gezag van rector magnificus prof.dr.ir. H. Bijl,  
volgens besluit van het college voor promoties  
te verdedigen op dinsdag 10 september 2024  
klokke 16:00 uur

door  
Fernando Lozano Vigario  
*geboren te Guareña, Spain*  
*in 1992*

## **Promotores**

Prof. dr. J.A. Bouwstra

Prof. dr. A. Kros

Dr. B.A. Slütter

## **Promotiecommissie**

Prof. dr. H. Irth

Prof. dr. E.C.M. de Lange

Prof. dr. Koen Raemdonck (Universiteit Gent)

Prof. dr. E. Mastrobattista (Universiteit Utrecht)

Dr. Anton Gisterå (Karolinska Institutet)

The research described in this thesis was performed at the division of BioTherapeutics of the Leiden Academic Centre for Drug Research (LACDR), Leiden University (Leiden, The Netherlands). The research was financially supported by Health Holland and Samen Werkende Gezondheidsfondsen (SGF), grant no. LSHM18056-SGF.

**To my family**

## TABLE OF CONTENTS

<b>Chapter 1</b>	Introduction and Thesis Outline	9
<b>Chapter 2</b>	Tolerogenic vaccines for the treatment of cardiovascular diseases	21
<b>Chapter 3</b>	Immunopeptidomics analysis of human atherosclerosis plaques identifies antigenic drivers of atherosclerosis	43
<b>Chapter 4</b>	Liposomal Formulations loaded with Vitamin D3 Induce Regulatory Circuits in Human Dendritic Cells	69
<b>Chapter 5</b>	The Use of a Staggered Herringbone Micromixer for the Preparation of Rigid Liposomal Formulations Allows Efficient Encapsulation of Antigen and Adjuvant	105
<b>Chapter 6</b>	Surface composition of nanoparticles rather than its rigidity, affects tolerogenic behaviour <i>in vivo</i>	125
<b>Chapter 7</b>	Nasal subunit vaccination with cationic liposomes induces Influenza-specific resident CD8 <sup>+</sup> T cells in the airways and reduces viral burden upon infection	153
<b>Chapter 8</b>	General summary and future perspectives	179
<b>Appendices</b>		
	Nederlandse Samenvattig	196
	Curriculum Vitae	202
	List of Publications	203
