Curriculum Vitae

Ritsart Anne Plantenga is geboren te 's-Gravenhage, op 9 april 1949 te 's-Gravenhage geboren. Hij voltooide de middelbare school op HBS-B niveau in 1972. In 1993 behaalde hij het doctoraal Nederlands recht aan de Rijksuniversiteit Leiden (Burgerlijk recht en Arbeidsrecht). In 1994 ontving hij het bewijs van didactische vaardigheden van de Universiteit Utrecht. Ritsart werd in 1992 docent rechten aan de Haagsche Hogeschool. Naast onderwijs was hij als stafdocent betrokken bij de ontwikkeling van verschillende opleidingsprogramma's, zoals Bestuurskunde & Overheidsmanagement en Integrale Veiligheidskunde. In 2001 werd hij verantwoordelijk voor het ontwikkelen van het Juridische opleidingsprogramma HBO-Rechten. Hij is mede-ontwerper van het landelijk profiel HBO-Rechten en was voorzitter van het landelijk overleg HBO-Rechten en uit dien hoofde lid van de HBO-Raad. Vanaf 2002 was hij Hoofd HBO-Rechten opleidingen (dual onderwijs, voltijd, deeltijd en International law) bij de Haagsche Hogeschool. In 2014 ging hij met pensioen.

Woorden van dank

Mijn onderzoek was een Odyssee, ik wist niet waar het mij zou brengen of wat ik zou ontdekken. Het was een prachtige reis met verleidingen en ontberingen die ik niet zou hebben kunnen aanvangen of voltooien zonder de bijzondere mensen die mij hierbij hebben bijgestaan en vergezeld. Zij vormen voor mij de “ziel” van de verschillende samenwerkingsverbanden die mijn reis mogelijk hebben gemaakt zoals de Haagse Hogeschool, de Universiteit Leiden en op enige afstand, de Kamer van Koophandel. Deze drie organisaties stonden aan de wieg van het “Centrum voor Regionale Kennisontwikkeling (CRK)” die mij als duale promovendus omarmden. Voor deze inspirerende omarming en het vertrouwen dat zij in mij stelden bedank ik vooral Tim van Tongeren en Adriaan in ‘t Groen. Het CRK is inmiddels overgegaan in het Leiden University Dual PhD Centre (DPC) en ik bedank in het bijzonder Charlotte, Johannes, Pieter, Petra en Yvonne, voor hun professionele steun en begeleiding, die voor mij als duale promovendus, onontbeerlijk is gebleken. Verder ben ik binnen deze organisatie dank verschuldigd aan “de Kopgroep”, waarin stafleden en mede-promovendi een klankbord vormen voor allerlei problematiek waarmee je als promovendus te maken krijgt.

Binnen dit centrum gaat mijn bijzondere dank echter uit naar Mark Dechesne, mijn begeleider en promotor sinds het eerste uur. Zijn inspiratie, professionaliteit, kennis, intuïtie, geduld en niet aflatende steun hebben de herinnering aan mijn tijd als promovendus een gouden randje gegeven. Ook voor Jaap van den Herik, mijn tweede promotor, heb ik niets dan genegenheid. Ik dank hem in het bijzonder voor zijn aimabele en geduldige inspanningen mijn onderzoek op koers te houden en voor zijn vermogen om “gisteren” al te hebben nagekeken wat ik “vandaag” bij hem inlever. Beide promotores hebben, ieder op eigen wijze, het vermogen om op het soms onbegaanbare pad, dat een promovendus moet volgen, altijd een zonnetje te laten schijnen. Mijn derde promotor Erwin Muller ben ik zeer erkentelijk voor zijn inspanningen bij de afronding van mijn promotietraject.

Verder dank ik alle respondenten voor hun deelname aan de onderzoeken. Zonder hen had ik nu met lege handen gestaan. Bovendien bedank ik mijn familieleden, kennissen en dierbare vrienden zoals Raymond Campfens, die mij enthousiast hebben aangehoord als het onderwerp over mijn onderzoek ging. Zij hebben mij gesterkt in het gevoel dat mijn onderzoek enige urgentie had en dat ik het diende te voltooien. Twee van hen Robin en Sander dank ik

in het bijzonder omdat zij bij de verdediging van dit proefschrift mij als paranimf willen begeleiden.

Mijn liefdevolle dank gaat uit naar mijn levensgezellin, Jane, die mijn leven tot een mooi sprookje heeft gemaakt.
