# TABLE OF CONTENTS

## PART ONE: GENERAL INTRODUCTION

|                      |    |
|----------------------|----|
| General Introduction | 11 |
|----------------------|----|

## PART TWO: IMPLEMENTATION

|                  |                                                                                                                                                  |    |
|------------------|--------------------------------------------------------------------------------------------------------------------------------------------------|----|
| <b>Chapter 1</b> | Video recording emergency care and video-reflection to improve patient care; a narrative review and case-study of a neonatal intensive care unit | 25 |
| <b>Chapter 2</b> | Quality improvement initiative: implementing and redefining video review of real-time neonatal procedures using action research                  | 43 |
| <b>Chapter 3</b> | Using the providers' perspective on video review of neonatal procedures to create a roadmap: a qualitative study                                 | 63 |

## PART THREE: USING VIDEO REVIEW TO IMPROVE CARE

|                  |                                                                                                                                       |     |
|------------------|---------------------------------------------------------------------------------------------------------------------------------------|-----|
| <b>Chapter 4</b> | Record, reflect and refine: using video review as an initiative to improve neonatal care                                              | 85  |
| <b>Chapter 5</b> | The vocal cords are predominantly closed in preterm infants <30 weeks gestation during transition after birth; an observational study | 109 |
| <b>Chapter 6</b> | International multicenter video review on neonatal procedures: lessons learned from an observational study                            | 125 |

## PART FOUR: GENERAL DISCUSSION AND SUMMARY

|                          |     |
|--------------------------|-----|
| General Discussion       | 145 |
| Summary                  | 167 |
| Nederlandse samenvatting | 173 |

## PART FIVE: APPENDICES

|                       |     |
|-----------------------|-----|
| List of abbreviations | 180 |
| List of publications  | 181 |
| Curriculum Vitae      | 182 |
