The background is a solid teal color. It features several large, dark teal, organic, wavy shapes that overlap each other. Scattered across the background are several yellow line-art icons: a pig in the upper left, a chicken on the middle left, a cow in the middle right, a cat in the lower left, and a dog in the lower right. There are also several dark teal, pill-shaped icons scattered on the right side of the cover.

THE ROLE OF ANIMALS IN THE EPIDEMIOLOGY OF ANTIMICROBIAL RESISTANCE IN HUMANS

Anouk Meijs
