Mama, je bent nog altijd bij me.

Table of contents

Part ONE	**Introduction and aim**	9
	General introduction	11
	Aim and outline of the thesis	23
Part TWO	**Review**	27
Chapter 1	Twin-twin transfusion syndrome in the era of fetoscopic laser surgery: antenatal management, neonatal outcome and beyond	29
Part THREE	**Brain injury**	51
Chapter 2	Cerebral injury in twin-twin transfusion syndrome treated with fetoscopic laser surgery	53
Chapter 3	Fetal and neonatal neuroimaging in twin-twin transfusion syndrome	69
Part FOUR	**Neurodevelopmental outcome**	95
Chapter 4	Long-term neurodevelopmental outcome in twin-twin transfusion syndrome: Is there still room for improvement?	97
Chapter 5	Behavioral outcome in twin-twin transfusion syndrome survivors treated with laser surgery	115
Part FIVE	**Intentional demise**	133
Chapter 6	Incidence and causes of intentional fetal or neonatal demise in twin-twin transfusion syndrome	135
Part SIX	**Summary and discussion**	151
	Summary	153
	General discussion and future directions	161
	Samenvatting	185
APPENDICES	Curriculum vitae	197
	List of abbreviations	199
	Publications	201
	Dankwoord	203
