The impact of non-genetic factors on drug metabolism: towards better phenotype predictions

Proefschrift

ter verkrijging van
de graad van doctor aan de Universiteit Leiden,
op gezag van rector magnificus prof.dr.ir. H. Bijl,
volgens besluit van het college voor promoties
te verdedigen op donderdag 5 juni 2025
klokke 13.00 uur

door

Laura Maria de Jong

geboren te Den Haag
in 1997

Promotores:

Prof.dr. R. Rissmann

Prof.dr. J.J. Swen

Copromotor:

Dr. M.L. Manson

Promotiecommissie:

Prof.dr. H. Irth

Prof.dr. E.C.M. de Lange

Prof.dr. S. de Wildt (Radboudumc)

Prof.dr. P. Olinga (Rijksuniversiteit Groningen)

Dr. C. Samer (Université de Genève)

Table of contents

7	CHAPTER 1 Introduction and thesis outline
SECTION I IMPACT OF CONCOMITANT MEDICATION ON DRUG METABOLIZER PHENOTYPE PREDICTIONS	
27	CHAPTER 2 The impact of <i>CYP2C19</i> genotype on phenoconversion by concomitant medication <i>Published in Frontiers in Pharmacology (2023)</i>
SECTION II (PRE)CLINICAL EVALUATION OF INFLAMMATION-INDUCED ALTERATIONS IN DRUG METABOLISM	
65	CHAPTER 3 Distinct effects of inflammation on cytochrome P450 regulation and drug metabolism: Lessons from experimental models and a potential role for pharmacogenetics <i>Published in Genes (2020)</i>
107	CHAPTER 4 CYP and non-CYP drug metabolizing enzyme families exhibit differential sensitivities towards proinflammatory cytokine modulation <i>Published in Drug Metabolism and Disposition (2024)</i>
139	CHAPTER 5 A systematic review on disease-drug-drug interactions with immunomodulating drugs: A critical appraisal of risk assessment and drug labelling <i>Published in the British Journal of Clinical Pharmacology (2022)</i>
SECTION III IN VIVO TOOLS TO STUDY ALTERATIONS IN DRUG METABOLISM DURING (INFLAMMATORY) DISEASE	
175	CHAPTER 6 Changes in plasma clearance of CYP450 probe drugs may not be specific for altered in vivo enzyme activity under (patho)physiological conditions – how to interpret findings of probe cocktail studies <i>Published in Clinical Pharmacokinetics (2024)</i>
197	CHAPTER 7 General discussion and perspectives
APPENDICES	
216	Nederlandse samenvatting
222	Curriculum Vitae
223	List of publications
