Learning to swim the endless waves: Examining self-management and risk factors for (chronic) depression

Proefschrift

ter verkrijging van
de graad van doctor aan de Universiteit Leiden,
op gezag van rector magnificus prof.dr.ir. H. Bijl,
volgens besluit van het college voor promoties
te verdedigen op donderdag 9 oktober 2025
klokke 11:30 uur

door

Ericka Clarice Solis
geboren te El Paso, Texas, Verenigde Staten
in 1987

Promotor

Prof. Dr. A.M. van Hemert

Co-promotor

Dr. I.V.E. Carlier

Promotiecommissie

Prof. Dr. N.J.A. van der Wee

Prof. Dr. A.J.W. van der Does

Dr. D. Rhebergen (GGZ Centraal, Vrije Universiteit Amsterdam)

Prof. Dr. J. Spijker (Pro Persona, Radboud Universiteit)

TABLE OF CONTENTS

Chapter 1	General introduction	8
Chapter 2	The clinical and cost-effectiveness of a self-management intervention for patients with persistent depressive disorder and their partners/caregivers: study protocol of a multicenter pragmatic randomized controlled trial.	34
Chapter 3	Economic evaluation of a self-management intervention for patients with persistent depressive disorder and their partners/caregivers.	72
Chapter 4	The clinical effectiveness of a self-management intervention for patients with persistent depressive disorder and their partners/caregivers: results from a multicenter pragmatic randomized controlled trial.	112
Chapter 5	Self-management strategies and care needs of patients with persistent depressive disorder and their informal caregivers: a multi-perspectives qualitative interview study.	158
Chapter 6	The 9-year clinical course of depressive and anxiety disorders: New NESDA findings.	200
Chapter 7	Psychometric properties of the Leiden Index of Depression Sensitivity (LEIDS) [NESDA].	248
Chapter 8	Cognitive reactivity (LEIDS) compared to other risk factors in the prediction of depressive episodes over two and nine years: A longitudinal cohort study [NESDA].	296
Chapter 9	Summary and general discussion	330
Addendum	Dutch summary Nederlandse samenvatting	372
	Acknowledgements Dankwoord	382
	Curriculum Vitae	384
	List of publications	386
	Portfolio	387
