Measurements of nutritional status and impact
of malnutrition in polytrauma patients

Proefschrift

ter verkrijging van
de graad van doctor aan de Universiteit Leiden,
op gezag van rector magnificus prof.dr.ir. H. Bijl,
volgens besluit van het college voor promoties
te verdedigen op dinsdag 28 oktober 2025
klokke 11:30 uur

door

Esmee Agnes Hendrika Verheul
geboren te Woerden
in 1999

Promotor

Prof. dr. I.B. Schipper

Copromotoren

Dr. S. Dijkink

Dr. P. Krijnen

Leden promotiecommissie

Prof. dr. M.S. Arbous

Contents

INTRODUCTION

Chapter 1	General introduction, aim, and outline of the thesis	9
------------------	--	---

MALNUTRITION IN POLYTRAUMA PATIENTS

Chapter 2	Prevalence, incidence, and complications of malnutrition in severely injured patients <i>European Journal of Trauma and Emergency Surgery 2025</i>	27
Chapter 3	Association of modified NUTRIC score for nutritional risk and in-hospital developed malnutrition in adults with severe injuries: a prospective observational cohort study <i>European Journal of Trauma and Emergency Surgery 2025</i>	49
Chapter 4	The value of metabolites and vitamins for the assessment of nutritional status in hospitalized patients. A systematic review <i>Topics in Clinical Nutrition 2024</i>	71
Chapter 5	Relevance of plasma lipoproteins and small metabolites in assessment of nutritional status among patients with severe injuries <i>Journal of Intensive Medicine 2024</i>	109
Chapter 6	Fat-soluble vitamins as biomarkers of nutritional status and their relation with complications in polytrauma patients <i>Nutrition and Health 2024</i>	141
Chapter 7	The correlation of CT-derived muscle density, skeletal muscle index, and visceral adipose tissue with nutritional status in severely injured patients <i>European Journal of Trauma and Emergency Surgery 2024</i>	161

DISCUSSION

Chapter 8	General Discussion	177
Chapter 9	Summary	197

APPENDICES

Chapter 10	Samenvatting	205
Chapter 11	Curriculum Vitae	211
Chapter 12	List of publications, co-authors, and presentations	215
Chapter 13	Acknowledgements	223
