Curriculum Vitae

Jin Wang was born in 1995 in Tianjin, China. She completed her undergraduate studies at Nankai University and obtained a Bachelor's degree in Teaching Chinese to Speakers of Other Languages in 2017. Continuing her academic journey at the same university, she pursued a Master's degree in Linguistics and Applied Linguistics. In September 2020, Jin Wang began her PhD studies at the Leiden University Centre for Linguistics under the supervision of Prof. Dr. Niels O. Schiller and Dr. Jurriaan Witteman. Her research focuses on the processing of grammatical gender and classifiers as lexico-syntactic features, a topic explored in depth in this dissertation.
