The background of the cover is an abstract composition. The upper portion is a dark, almost black, field filled with fine, tangled, reddish-orange and blue fibers, resembling a microscopic view of tissue or a dense network of threads. The lower right portion features a large, textured mass in shades of orange and yellow, with a bumpy, almost crystalline or cellular appearance, possibly representing a biological structure like coral or a specific tissue type. The overall effect is one of organic complexity and depth.

Annet van Harten

TIME PRESSURE AND TEAMWORK

A Quest for Quality Improvement in Hospitals
