Curriculum Vitae

Lorenz Robert Pardon was born on June 23rd, 1993, in Leuven, Belgium. In 2020, he obtained his bachelor's degree in Criminology at the Vrije Universiteit Brussel. In 2021, he completed his master's degree in Criminology at the same university. During his studies in 2020 and 2021, Lorenz participated as a voluntary researcher in a collaborative project between the Vrije Universiteit Brussel and the National Institute of Criminalistics and Criminology (NICC), focusing on the experiences of detained persons with prison climate in Flemish prisons. Following his graduation, Lorenz started his doctoral research (2021-2025), a joint project between the Vrije Universiteit Brussel and Leiden University, examining the concept of 'jail craft' in Belgium and the Netherlands. His dissertation specifically analyses the similarities and differences between uniformed prison staff in their experiences and practices across four prison institutions, two in each country. Currently, Lorenz remains affiliated with the Vrije Universiteit Brussel as a voluntary researcher and works as a strategic analyst advisor at the Federal Judicial Police in Belgium, with a focus on financial execution inquiries.

In the range of books published by the Meijers Research Institute and Graduate School of Leiden Law School, Leiden University, the following titles were published in 2025 and 2026
